LOVE 'EM AND LEAVE 'EM.

MINI LEASE PROTECTION

LOOK BACK FONDLY AT LEASE END.

Letting go of your lease should be drama-free. MINI Lease Protection lets you look back fondly. We'll worry about excess wear and use or minor bumps and scrapes because this plan is designed around and integrated with the MINI lease-end process. Unlike other programs, we submit claims on your behalf and coverage is automatically detailed on your Maturity Bill.¹

MINI Lease Protection is only available at the time of lease and allows for your vehicle to be turned in at any time prior to your original scheduled termination date. Benefits also apply up to 6 months after the original scheduled termination date. These worry-free plans are transferable to subsequent lessees, and re-leases are covered for a term of up to 24 months for an additional cost.
