# MINI EXTENDED MOTORER PROTECTION

## WE NEVER FAKE IT.

## ONLY 100% ORIGINAL MINI REPLACEMENT PARTS.

MINI Extended Motorer Protection offers you a level of security you won't find with any third-party contract provider. This program gives you the assurance that MINI stands firmly behind your service contract. All repairs are performed by trained MINI Technicians who use only new or remanufactured original MINI parts.

- You never have to worry that repairs might be made with products from other manufacturers that have not been tested for use on a MINI.
- Using only original MINI parts for repairs fully protects you from ever compromising your MINI's safety or its advanced components.
- Your MINI's resale value is protected.

## EXTENDED PROTECTION OPTIONS CRAFTED FOR THE WAY YOU MOTOR.

All MINI motorers are not created equally. Whatever your driving habits happen to be, there's an extended service contract designed for you. MINI tailored MINI Extended Motorer Protection with your needs in mind. Program benefits include:

- > An extended service contract backed by MINI that delivers peace-of-mind protection, beginning at the expiration of the MINI New Passenger Car Limited Warranty.
- > Covered repairs performed at an authorized MINI repair facility.
- > Only original MINI parts for repairs.
- > 24-Hour Roadside Assistance, in the unlikely event of a breakdown.
- > A worry-free ownership experience.

# XL

## XL COVERS THE MAJOR COMPONENTS ON YOUR VEHICLE AND OFFERS PROTECTION AGAINST MANY MECHANICAL BREAKDOWNS.

### ENGINE & FUEL SYSTEM

Cylinder head(s), cylinder block and cylinder head gasket(s). All internally lubricated parts including: pistons, piston rings and pins; crankshaft, main and connecting rod bearings; connecting rods; camshaft and bearings; timing chains and/or belts; sprockets; rocker arms and shafts; valves, valve springs, upper spring plates (retainers); valve collets, guides, seats, and seals; hydraulic valve clearance compensators (lifters); oil pump assembly. Dipstick assembly; vibration damper; flywheel/ring gear; upper and lower timing case covers and gaskets; superchargers/turbochargers; intake manifold and gasket; exhaust manifolds, engine mounts; valve cover(s) and gasket(s); oil pan(s) and gasket(s). Front and rear radial oil seals. (Fuel System): Fuel injectors; fuel pumps; metal and plastic lines and fittings; fuel tank; fuel injection and airflow sensors.

### COOLING SYSTEM

Water pump; radiator; electric cooling system fan; idler pulley/belt tensioner; coolant recovery tank.

### TRANSMISSION

Transmission case, torque converter, all internally lubricated parts contained within the transmission case including: all sprockets, shafts, bearings, bushings, drums, pumps, and valves. Transmission oil seals and gaskets. Transmission mount; flywheel; drive plate for torque converter. Coverage is not afforded for standard transmission clutch assemblies, which are subject to wear and tear.

### TRANSAXLE ASSEMBLY

Transaxle housing; all internally lubricated parts contained within the transaxle housing including: All sprockets, bearings and output shafts; input and output flange seals and gaskets; rear housing cover gasket; CV joints and flexible gaiters (CV joint boots); front and rear hub assembly, hub bearings.

### STEERING

Steering rack assembly; all internally lubricated parts within the steering rack; power steering pump; steering shaft and couplings; cooler and lines.

### BRAKES & ABS

Master cylinder; brake booster assembly; wheel cylinders; brake calipers; hydraulic lines and fittings; brake pedal assembly; parking brake assembly.

(ABS): hydraulic pump assembly; ABS control module; wheel speed sensors; relays.

### ELECTRICAL

Alternator/generator; voltage regulator; starter motor, starter solenoid; windshield wiper motor; rear window wiper motor; power window motors; convertible top storage lid and top drive motors; manually and electrically operated switches; front and rear main wiring harnesses; on-board computer; engine control module; power door and central locking systems; remote electronic entrance system; cruise control switch, actuator and control module; sunroof motor and gear; turn signal/headlight dimmer switch; electronic mirror motors and switches; windshield wiper delay switch; horn contacts, brush, contact rings assembly and horns; rear window defogger; all gauges; instrument and service indicator circuit boards; LCD display modules and coding plugs; control modules.

### HEATING/AIR CONDITIONING SYSTEM

Condenser; compressor, evaporator; receiver-drier; idler pulley/belt tensioner; compressor clutch and pulley; heating and A/C control panel and control module; expansion valve; stepper motors; auxiliary water pump; heater and air conditioner blower; heater control valve.

### INTERIOR AND EXTERIOR

Trunk and hood gas pressure struts; front seat tracks/rails; shift lever; bumper impact struts.

# XXL

## XXL OFFERS ALL OF THE PARTS COVERED UNDER XL PLUS THESE ADDITIONAL BENEFITS:

Radio, CD player/changer, entertainment system, navigation system and any components of those systems.
