MINI COSMETIC WHEEL REPAIR.

No matter how carefully we drive, most people end up with nicks, scrapes or other wheel damage that can be unsightly and can affect the overall appearance of your vehicle. Fortunately, Cosmetic Wheel Repair provides coverage for the repair of cosmetic damage to your wheels for up to five years, so your new MINI can keep looking its best for years to come.

**Coverage includes:**

- Up to eight (8) individual cosmetic wheel repairs\(^1\) if damaged due to incidents such as curb abrasion causing scrapes or scratches, or road debris causing nicks.
- Repair of alloy wheels that require sanding, painting, or refinishing the wheel without the need to apply additional material or bend/straighten the wheel.
- Approved costs associated with the repair of cosmetically damaged wheels, plus approved labor charges and taxes where applicable.

**Convenient protection.**

Services may be completed at any MINI Dealer in the United States or Canada.

**Additional benefits.**

- No mileage limitations.

---

**Coverage exclusions may apply\(^2\).**

- Repairs made without prior authorization.
- Structural damage to wheels or replacement of wheels.
- Chrome or steel wheels, alloy wheels with chrome simulation, chrome dipped wheels, fiberglass wheels, carbon fiber wheels, magnesium wheels, and powder-coated wheels.
- Damage caused by vandalism, hail or unmaintained roads.
- Repair or replacement of tires.

---

MINI Cosmetic Wheel Protection is available on new and Certified Pre-Owned MINI vehicles.

\(^1\)Cosmetic damage means damage to a wheel that does not affect the performance of the wheel or its ability to seal with the tire.

\(^2\)Additional exclusions may apply. Please see your Agreement for specific coverage details, including limitations and exclusions.
MINI DENT N’ DING PROTECTION.

In addition to being unsightly, dents and dings greatly reduce the resale or trade-in value of your vehicle. Maintaining the value and beauty of your vehicle is easy with MINI Dent N’ Ding Protection.

Our paintless dent removal process repairs door dings and minor dents without harming your MINI’s factory finish. Not only is it more efficient, it’s also more cost effective than traditional repair methods that require repainting an entire section of your vehicle.

Coverage includes:

- Repair of dents and dings that inevitably appear on your vehicle through everyday driving.
- Repair of dents and dings, no larger than four (4) inches in diameter, that are within an accessible area on a body panel of the vehicle.

Convenient protection.

Convenience matters. Repairs can be performed at the dealership, your home, or your place of business.

Additional benefits.

- No limit on the number of occurrences.
- No limit on the number of service calls.
- No mileage limitations.
- No deductible.

Coverage exclusions may apply¹.

- Dents or dings that are larger than four (4) inches in diameter.
- Dents or dings that cannot be repaired by the paintless dent repair process.
- Damage caused by vandalism.
- Repairs that will affect or damage the vehicle’s paint or finish.
- Dents or dings that have broken the paint or punctured the vehicle’s metal.

MINI WINDSHIELD PROTECTION.

Because the world looks different from behind the wheel of a MINI, we offer MINI Windshield Protection to help preserve your positive outlook. After all, minor chips and cracks caused by rocks and road debris aren’t just distracting and unsightly. They can actually undermine the integrity of your entire windshield, which is a sizable part of your MINI.

Keep your view of the road clear with MINI Windshield Protection.¹

Coverage includes:

• Repair of chips and cracks in the front windshield caused by propelled rocks, or other road hazard debris.
• Unlimited repairs of the front windshield during the Agreement term.²
