

# MINI CONNECTED SERVICE AVAILABILITY.

Available starting with all Model Year 2025 MINI vehicles, MINI Connected Plus offers owners numerous benefits in addition to the MINI Connected Base offering:

- Expanded MINI Connected Store equipped with MINI Connected upgrades.
- Premium, advanced digital services and ever-evolving, exclusive content in a flexible and easy way.
- Keeps you up-to-date with all your favorite vehicle apps and content with regular app updates.

MINI Connected Plus can be purchased as either a monthly or annual subscription. You may subscribe through My MINI Garage, the MINI App, and in-car MINI Connected Store.

The below summary outlines key differences between the MINI Connected Plus and MINI Connected Base offerings, subject to availability.
