MINI FINANCIAL SERVICES

TRANSITION WITH EASE.

Now that you're leasing a MINI, you're in for several years' worth of fun-filled adventures. And while you are thoroughly enjoying your new vehicle, there is the potential for excess wear. Unlike with other programs, we submit claims on your behalf and coverage is automatically detailed on your Maturity Bill.¹

Lease-End Protection² covers up to \$5,000 of excess wear and use charges for interior stains, tire wear, chips, dents, and dings, and more at the end of your lease.

LEASE-END BENEFITS:

- Waiver of covered excess wear and use charges up to \$5,000 (does not include coverage for excess mileage charges).
- No deductible.
- Coverage of charges for missing parts each valued at \$300 or less.

Lease-End Protection allows for your vehicle to be turned in at any time prior to your original scheduled termination date. Benefits are also available up to six (6) months after the original scheduled termination date. This worry-free product is transferable to a subsequent lessee who assumes your lease agreement.
