

**APPEARANCE PROTECTION FOR THE ROAD AHEAD.  
ALLSURFACE ENVIRONMENTAL PROTECTION**

MINI FINANCIAL SERVICES

## Live your life...

**ALLSURFACE** is now infused with state-of-the-art ceramic technology that seals microscopic pores in the surface of the exterior clear coat and creates a hardened barrier between your paint and the environment.

They are formulated to offer protection and coverage that far exceeds the limited coverage offered by most industry standard environmental protection warranties.

You can feel confident that **ALLSURFACE** helps to protect your vehicle against environmental damage, both inside and out. But it also works to keep the appearance of your vehicle looking showroom new.

Backed by one of the most comprehensive warranties in the industry.

## EXTERIOR PROTECTION

### Exterior

The outside of your vehicle undergoes a lot of punishment from the weather and road conditions. **ALLSURFACE** protection creates a durable shield against environmental damage.

### Paint Protection

Completely seals and protects paint from:

- Weather-induced fading and loss of gloss.
- Acid rain, bird droppings and tree sap.
- Permanent hard-water etching and industrial fallout.

INFUSED WITH CERAMIC TECHNOLOGY

## INTERIOR PROTECTION

### Fabric Protection

- Seals out water and oil-based stains.
- Extends the life of fabric and carpet.
- Contains inhibitors to retard fading.
- Makes clean-up easy.

### Leather / Vinyl Protection

- Creates a barrier against stains.
- Protects against premature aging.
- Retains natural softness.
